Good morning,

We can have him scheduled for transport to the Tucson courthouse. Just advise what day would work best for you and the fingerprint expert and also provide the court order so that we can place it on the calendar.

Respectfully,

We received a court order to take a new set of fingerprints of inmate Donald Day. Is it possible to have him transported to the Tucson Courthouse so our fingerprint expert can be the one who takes the prints? Or in the alternative, the Phoenix courthouse? Please advise, thank you.
